

COURT OKAYS SALE OF LAND FOR \$4,301.50

The Adams County court this morning gave its approval to sale by the county of a strip of land to Ralph E. Barley, W. Broadway for \$4,301.50.

The triangular strip of land extends for about 340 feet north along the Harrisburg Rd. from the end of present land owned by Barley and extends west for about 345 feet across the rear of land owned by Barley and Lester O. Johnson. The additional strip of land "squares off" present holdings of Barley and Johnson.

At the hearing this morning County Commissioner E. Donald Scott said the price offered by Barley was a higher price than could be obtained at a public sale and that the land is no longer needed for county home purposes. There was no one present to object to the sale.

TOPPER BLDG. UP

A hearing was held before the court on the proposal of the county to purchase the office building of Mrs. Frances McClean Sweeney at 111 Baltimore St., immediately south of the court house, for \$60,000. There were no objections raised to the proposed purchase by the county. Real Estate Agent Lee M. Hartman said he estimated the worth of the former "Topper building" at \$61,000. William Bigam, a local real estate agent, estimated the value of the building at between \$60,000 and \$62,000. The county is purchasing the property to be used for court house purposes. Purchase of the structure has been contemplated by the county for a number of years.

February 6 at 10 a.m. was set as the time for a hearing on the petition of Helen M. Gipe, Shippenburg R. 3, to settle the action in trespass she has brought against the Hoffman Home for Children, George W. and Agnes Hoffman, and Ronald Gaylor in connection with the death of her son, George Patrick Gipe, 15, last August when a truck operated by Gaylor upset, injuring a number of Hoffman Home children and fatally injuring the Gipe child and two others.

DEFER DECISION

Mrs. Gipe had previously asked a settlement for \$3,313.75. At a hearing October 15 the court told Mrs. Gipe that \$3,313 was "not a high settlement by any means" since she would be entitled to a sum based on her son's probable earnings until 21 and his estate, of which she is administratrix, would be eligible for a sum based on his anticipated life's earnings. Judge W. C. Sheely told Mrs. Gipe he would "feel happier in approving this if you had consulted with an attorney first." Mrs. Gipe agreed then to see an attorney on the matter and was told when she had done so the court would be ready to hear the matter again.

U. S. WILL TAKE LAND HERE FOR RESERVE UNIT

"A dead issue" has returned to life and the federal government is planning to build an Army Reserve Center in Cumberland Twp., according to papers filed with the register and recorder's office from the U. S. Middle District Court, listing the taking of 3.77 acres of land from Ralph C. Deatrick, Gettysburg R. 2, by the U. S. government.

Last June 9, after months of discussions and attempts to reach settlement on sale of the land to the government, Maj. Gen. J. Calvin Frank, commanding officer of the 79th Division, told the county commissioners that the proposal to construct a new armory for the Army Reserve unit here "is a dead issue."

FILED OBJECTIONS

General Frank spoke ruefully of the word he had received from higher command concerning the matter. The government had moved to take over the Deatrick land earlier. The Cumberland Twp. supervisors and planning commission objected to the proposed site, holding it would prevent future possible development to the rear of the proposed center. Other sites were suggested for the center and finally agreement was reached that the government would cut the size of its taking to permit a road to pass between the proposed armory site along the Fairfield Rd. and the

FREE FOR ALL SENDS MEN TO JAIL, HOSPITAL

A "free for all" at the home of Dorothy Richardson, Fairfield R. D. in the Iron Springs area, led to one man's being removed to the Warner Hospital at 2:23 o'clock Sunday morning for treatment to an axe cut on the left leg near the foot and another's being placed in the county jail charged with aggravated assault and battery.

Sheriff Dawson Miller said Deputy Sheriff Guy Seifert, Fairfield, received a telephone call early Sunday morning that a "free for all" was going on at the Richardson home.

Seifert notified Sheriff Miller and then immediately received another phone call. Sheriff Miller said the call was from Edward W. Wetzel, 30, Fairfield R. 1, who told Seifert that he had cut Vincent Reese, 46, also of the Iron Springs area, with an axe.

USED AXE AS PEACEMAKER

Wetzel, according to the sheriff, explained that Reese had gone to the Richardson house and had caused a disturbance and "run some of the kids out of the house." Wetzel, a brother of Mrs. Richardson, also went to the Richardson home and in the course of "calming down" Reese had struck him with an axe.

State police, called to stand by in case the sheriff and deputy "got into trouble" when they went to the Richardson home, radioed for the Gettysburg ambulance when the extent of Reese's injury was disclosed. The local ambulance arrived to find that the driveway into the home was just wide enough for the ambulance and attendants had to wade through waist deep snow to get the home.

Wetzel was charged before Justice of the Peace Robert P. Snyder with aggravated assault and battery and placed in jail for a hearing later.

Represented at the rehearsals and festival will be the following schools: Bernadine, Delone, Fairfield, Gettysburg, Littlestown, Lower Adams and Upper Adams.

EX-EAST BERLIN PHYSICIAN IS FATALLY SHOT

Dr. Roy E. Smith, 53, a former Gettysburg College student who practiced medicine in East Berlin from 1936 to 1946, was shot and killed Sunday by a former patient at Norristown.

News report from Norristown state that a retired restaurant owner killed Dr. Smith Sunday apparently because he thought the doctor had given him an injection which caused him to lose his virility, according to the police.

The restaurant owner then took his own life with the same gun. Dr. Smith, an internal medicine specialist, was shot in the back of the head, police said, by Alexander Niblock, 68, who formerly operated a restaurant in nearby Ambler.

Investigators said Smith had gone to Niblock's house trailer in nearby Lower Providence Township to examine the restaurant owner's wife, Josephine, 49, who had a headache and felt a cold coming on.

WIFE FLED

Mrs. Niblock fled the trailer in terror after the shootings. Police said they found a .32-caliber revolver under Niblock's body. Two bullets had been fired. Officers also found another .32-caliber revolver in a bag under a bed.

Chief of Detectives Charles G. Moody said neighbors told him Niblock had held an unreasonable grudge for several months against Smith. Moody said Niblock had complained about an injection the doctor gave him last summer while treating him.

Moody quoted Mrs. Niblock as saying that earlier in the day she had told her husband to "put that thing (the revolver) away."

WIFE THREATENED

She was quoted as saying that she called Smith at her husband's insistence. Moody, after questioning Mrs. Niblock, gave this account: Niblock stepped into his wife's bedroom and said: "Here he comes. Now don't say a word or holler out that I have a gun or I'll kill you both and myself."

Niblock greeted Smith at the door. As the physician opened the door of the bedroom, there was a shot and he fell to the floor. Immediately Niblock fired a second shot, killing himself.

"I'M A REALIST"

The Niblocks were married last Dec. 11, according to Moody. It was the first marriage for Mrs. Niblock.

HEARS PRAYER FOR KENNEDY

Attending his first church service as a private citizen Sunday, former President Eisenhower (accompanying by Mrs. Eisenhower) heard his pastor pray for his successor, President Kennedy.

"God guide and bless our newly installed President and all those in authority with him to be dedicated to peace with justice," said the Rev. Robert A. MacAskill, pastor of the Presbyterian Church, while the Eisenhowers listened.

In a Biblical reference, Rev. MacAskill prayed that swords be beaten into ploughshares and pruning hooks and that there be no more war.

The Rev. Mr. MacAskill has preached to the Eisenhowers many times in the church where President Lincoln worshipped.

Looking at the Eisenhowers' pew and addressing them as well as the rest of the congregation, however, the pastor said:

"We covet your prayers, your presence and your participation."

Former Resident Of East Berlin Expires

He had operated a hardware store in East Berlin for some time and had also worked for the state government in Harrisburg.

Funeral arrangements, in charge of the Emig Funeral Home, East Berlin, are incomplete.

President And Mrs. Eisenhower Are Presented Sterling Silver Plaque And Tray By Friends And Neighbors At A Welcome Home Dinner In Hotel Gettysburg, Saturday

President and Mrs. Eisenhower returned home to the warmest, largest and most colorful "welcome home" dinner ever tendered anyone in the history of this historic community Saturday evening. The gala affair was attended by 217 men and women who represented every fraternal, patriotic and civic organization in Gettysburg and Adams County.

It was the first and perhaps the last time that this community will have an opportunity to entertain the President of the largest and most powerful free nation in the world and the community made the most of it. It was informal in every respect, yet it reached the heights of dignity attainable only by the high office to which its guest had just retired from.

The Eisenhowers were greeted by an audience of more than 2,000 at a public reception in Lincoln Square when they arrived with a Pennsylvania State Police escort at 6:30 o'clock. After a brief private reception in a Hotel Gettysburg suite the guests of honor were greeted with a loud round of applause as they were escorted into the Hotel Gettysburg dining room by Henry M. Scharf, chairman of the committee on arrangements, and toastmaster at the dinner.

TOAST TO HEALTH

Just before dinner was served Mr. Scharf proposed a toast, to which all the guests rose and drank, "to the health, happiness of the Eisenhowers for many years to come."

The main course at the dinner was the President's favorite, roast prime ribs of beef.

The highlight of the evening was the presentation of a sterling silver tray to President and Mrs. Eisenhower by Gen. Willard S. Paul, president of Gettysburg College. The engraved inscription on the plaques is an excerpt from a talk the President gave at the only press conference he held in the Hotel Gettysburg pressroom two years ago.

Toastmaster Scharf greeted the guests on behalf of the community and said:

INTRODUCES GUESTS

"Gettysburg has been a community of destiny. It has had many great days. I would say this is a great day; if it isn't our greatest day, it certainly is our happiest day."

"I want to first introduce some personal friends of President and Mrs. Eisenhower, some of them our own neighbors; General and Mrs. Arthur S. Nevins; General and Mrs. Willard S. Paul and Mr. George Allen, perhaps he will come oftener and stay longer and let us make a native of him."

"It comes very close to home to introduce or even to mention the name of Raymond Pitcairn, of Philadelphia, who is a terrific American citizen. What Raymond Pitcairn believes in he really believes in."

LAUDS PITCAIRN

"There may be some arguments here and there about the date, or the time or who was the first to think that Dwight D. Eisenhower would make the greatest President of the United States; or that he would prove to be the President needed at some given moment over a course of several years. If Raymond Pitcairn was not the first to advocate General Eisenhower for the presidency, he certainly was one of the first."

"We feel Mr. Pitcairn is one of us for the honor he paid us at that time. He phoned me, saying 'Just get a group of people together. I want to talk to them.' As a result, the second chapter of 'Americans for Eisenhower'—the forerunner of 'Citizens for Eisenhower'—was organized in Adams County. Just a few days before, Mr. Pitcairn had founded the first chapter in his home town, Bryn Athyn. When Mr. Pitcairn believes in something he certainly goes to work."

CHAPTER FORMED HERE

"The Adams County chapter was formed right here in this room and there is a picture showing Don Swope, who was elected chairman, and Mr. Pitcairn dispatching a Stetson Hat (pardonable because it is a Philadelphia product) to Paris for General Eisenhower to throw into the ring. It is a real pleasure to have Mr. and Mrs. Pitcairn with us."

"There is another old and close friend of the Eisenhowers who conferred an honorary degree on General Eisenhower in 1946 as president of Gettysburg College. He was present at the meeting and was very instrumental in forming the Adams County Chapter of 'Americans for Eisenhower.' Dr. Henry W. A. Hanson."

"Again within the Gettysburg area and to indicate that the local associations are numerous

IKE DEPARTS FOR GEORGIA

Ex-President Dwight D. Eisenhower's plane took off in a snowstorm today from the York Airport carrying him to Georgia for some warmer weather, he hopes, and bird hunting.

Eisenhower made the 20-mile drive from his farm in a station wagon over snow-covered roads. The plane—privately owned by Eisenhower's Georgia host—took off for Albany, Ga., from a runway that had been cleared of snow.

In the Eisenhower party were four newsmen; the doctor who was with him in the White House, Maj. Gen. Howard M. Snyder; and Dick Flohr, Secret Service agent who is on annual leave as Eisenhower's aide.

The former president is making the trip in the two-engine plane of W. Alton Jones, chairman of the board of the Cities Service Co., on whose 15,000-acre plantation Eisenhower plans to get in some quail shooting.

Eisenhower is expected back within a week or so to join Mrs. Eisenhower for a trip to the Southern California desert.

They are expected to spend about two months at Desert Palm, where they have rented a house overlooking the El Dorado Golf Club. While there the former president plans to get in a lot of golf, sunshine and rest.

Jailed For Leaving Scene Of Collision

Antonio Sostre Ortiz, 21, of 256 S. Washington St., was placed in jail Sunday afternoon at 2:30 o'clock when he was unable to raise a \$25 fine and costs on a charge of leaving the scene of an accident placed before Justice of the Peace Robert P. Snyder. Borough police said Ortiz was arrested after James Cullison, 227 S. Washington St., reported at 1:50 o'clock that a car had struck his parked vehicle on S. Washington St. and continued on without stopping.

Ortiz was taken before the justice and in default of the fine and costs was sentenced to five days in jail.

NEW RECORDS SET BY COLD; NEW SNOWFALL

The weatherman hung up some new records for cold temperatures over the weekend while more snow today added to the wintry scene.

An official low of 7 below zero here on Sunday made it the coldest January 22 on record here in 58 years while this morning's low of -4 was the lowest temperature for this date in 25 years. More zero temperatures are forecast for tonight.

A light snowfall that began about 7:30 o'clock this morning and continued through mid-morning added another inch to the white cover that has been on the ground here continuously since December 11.

Paralyzing Harbor Strike And Railroad Tieup Ends

NEW YORK (AP)—A two-week-old harbor strike that had caused a paralyzing railroad tie-up throughout much of the East was ended today by tentative agreement on a new work pact.

Mediators, including President Kennedy's new secretary of labor, Arthur J. Goldberg, met in a marathon 14-hour session that ended with the announcement of a settlement at 6:18 a.m.

The strike of railroad tug and ferry boat workers against 11 railroads that operate in New York harbor had crippled the city's commuter transportation, forcing 100,000 persons to look for other means of getting to and from work.

664 WORKERS STRUCK

The workers of the 664 workers in three marine unions on Jan. 10 had also virtually shut down the New York Central and the New Haven railroads.

Both roads said they hoped to get back into operation by Tuesday morning.

LARGE CROWD GREET'S MAMIE, IKE IN SQUARE

An estimated 2,000 persons crowded into the northeast quadrant of Lincoln Square Saturday evening to welcome home former President and Mrs. Dwight D. Eisenhower. And with the thermometer hovering between 14 and 15 degrees nobody minded being jammed against his fellow spectators.

President Eisenhower noted the cold by remarking that those present were "truly good neighbors to be out on a night as cold as this." Despite the cold the crowd started to gather before 6 o'clock and by 6:20 practically all were present and waiting patiently for the arrival of the county's most distinguished citizens.

A lifetime habit of being on time was continued by the Eisenhowers. At 6:29 the two state police cars and the Eisenhower car appeared on the south side of the square. As the First National Bank clock moved to the hour of 6:30 the Eisenhower car had stopped and President and Mrs. Eisenhower, the latter escorted by Henry M. Scharf, manager of the Hotel Gettysburg, were moving toward the platform through two ranks of ROTC and Air Force ROTC students from Gettysburg College.

CROWD IS AWED

As Mrs. Eisenhower came into view on the platform placed in front of the Hotel Gettysburg a number of spectators were heard to say: "Isn't she beautiful?" The President brought similar comments of "Isn't he handsome?" and "Doesn't he look good?"

NBC News cameras, Associated Press and United Press International photographers, plus photographers and reporters from numerous newspapers, radio technicians from WGET and other radio stations were present to record the "welcome home" celebration.

On the stand for the brief outdoor welcome home ceremony were President and Mrs. Eisenhower, Judge and Mrs. W. C. Sheely, Burgess and Mrs. Wilbur L. Plank, County Commissioners E. Donald Scott, Clarence Waybright and George Bender, George Allen and Mr. Scharf.

A slightly misplaced microphone made it difficult for all of the crowd to hear Judge Sheely's welcoming remarks but by the time the former president began to speak the "mike" had been moved and his message was heard by all.

PRESIDENT IS PLEASED

Judge Sheely mentioned the various times the Eisenhowers had been in Gettysburg previously and welcomed "Mr. and Mrs. Eisenhower" to their home here.

President Eisenhower responded: "I certainly thank you very much

for the kind words of welcome to my wife and me as we come to settle here in our home. There was one visit here omitted from the list. I came here as a cadet in 1914 to hear an expert tell of the battlefield and in truth I believe that was about the last time until tonight that I was called mister. I think it was in 1952 that we first decided to settle here. By 1955 we had built our home here. We settled here so we could vote properly, and we thought properly was Republican. We still never felt it as home until today. Today for the first time there was nobody to say "you must come back this evening" or "you must get on the phone." Your presence here in such cold weather to welcome a new neighbor proves you are real good neighbors. We hope on our part to be truly good neighbors and citizens of this community, and let me repeat, Republican citizens."

Presents Flowers

The crowd applauded frequently during the brief talk and when Mrs. Eisenhower was presented with a bouquet of flowers by Burgess Plank as a symbol welcoming her, along with her husband, to the community.

Judge Sheely in his welcoming remarks said: "In 1918 Gettysburg and Adams County were pleased to welcome to our community Captain Eisenhower, the new commander of Camp Colt, who during his tour of duty here organized the first United States Tank Corps."

"In 1946 the community was again happy to welcome Doctor Eisenhower when our guest tonight returned to Gettysburg to receive an honorary degree of Doctor of Laws from Gettysburg College."

"In 1952 we were delighted to welcome General Eisenhower when he purchased a farm in our community and decided to become one of us. Since 1953 it has been our honor and privilege on numerous occasions to welcome Adams County's most distinguished citizens, President and Mrs. Eisenhower, when they returned to their home here for much needed and well deserved vacations."

"Accomplishments, Ideals"

"There is much that could be said tonight about the life, the many distinguished accomplishments, and the high ideals of the man who has become the best loved and the most highly respected man in our time."

"But that is not the purpose of this gathering. The people of Gettysburg and Adams County are here to say to our friends and neighbors, Mr. and Mrs. Eisenhower, that we are glad for you that after 50 years of distinguished public service your public duties are ended; that you are now able to return to your home here and to enjoy the rest which you so richly deserve. We pledge to you that we will try to be good neighbors and that your peace, happiness and comfort will be our first and only thought."

"In conclusion we say: Thank you both for a job well done. Welcome home, and may God grant you both many years of happy retirement."

The Gettysburg High School band under the direction of Robert Zeigler provided the music for the program. Cadet Maj. Horace Y. Goodman Jr. was in charge of the Army ROTC unit and Cadet Major Raymond Lee was in charge of the Air ROTC unit which comprised the honor guard.

U. S. WILL TAKE

(Continued From Page 1)

Gettysburg Shoe Co. At that time Deackrick rejected an offer of \$2,600 per acre for his land and General Frank said he was told that "ended the matter. The money will be used to purchase land for other reserve centers elsewhere."

Saturday the register of wills and recorder of deeds' office here received from U. S. Attorney Daniel H. Jenkins, Scranton, and the U. S. Middle District Court, Lewisburg, a "declaration of taking" filed January 16 at Lewisburg by which the U. S. government took over 3.77 acres of land owned by Ralph C. and Mercedes L. Deackrick, Gettysburg R. 2, for \$10,000.

SPACE FOR ROAD

The papers, signed by Wilbur H. Brucker, secretary of the Army, on December 4, state: "They said land has been selected by me for acquisition by the United States for use in connection with an Army Reserve Center in Cumberland Twp. and for such other uses as may be authorized by Congress or by executive order." The papers state the \$10,000, described as "just compensation," has been deposited in the registry for the Middle District court for "use and benefit" of Mr. and Mrs. Deackrick.

Maps accompanying the condemnation papers show a 100-foot gap between the western edge of the government taking and the eastern edge of the Gettysburg Shoe Co. land — thus indicating that Cumberland Twp. will have space for a road into land to the south of the center if such a road is desired.

The map accompanying the taking lists authorizations for the taking as being signed on February 6, 1959, October 26, 1959, April 8, 1960, and October 14, 1960.

DEAF MAN PERFECTS SMALLEST HEARING AID
YORK, PA.—(Special)—A remarkable midget hearing aid has been perfected by a man who has been hard of hearing for nearly ten years.
This small aid has no dangling cords or separate transmitting units and represents a most unusual idea and design in a product for the hard of hearing.
It is especially made for those people who can hear but not understand. This new hearing instrument provides "ear-level" hearing with the wearer picking up speech, sounds, television, and radio at his ear rather than at a transmitter located in the wearer's clothing.
Due to the use of 4 transistors, the user cost is extremely low and the instrument weighs approximately ¼-ounce. It is about the size of a sewing machine.
Write to E. Trimmer, or call at 208 E. Market Street, York, Pa. You will receive full information without any obligation whatever.
Grandchildren Of Governor Visit JFK
HARRISBURG (AP)—Gov. Lawrence's grandchildren brought back some especially pleasant memories from the inauguration weekend in Washington.
President John F. Kennedy met them—Kathy, 8; David, 11, and Thomas, 14, children of Mr. and Mrs. Thomas J. Donahue of Mount Lebanon, at Lawrence's hotel Saturday morning. Kennedy invited the governor to bring them along to the White House that afternoon for the swearing-in ceremony of the new President's cabinet.
Little Kathy was represented as being thrilled with the experience, but with one minor disappointment. She had "so wanted to meet Caroline," the president's 3-year-old daughter, who was in Florida.

Photographic Highlights Of Welcome Home Dinner To Eisenhowers

President

(Continued From Page 1)

and also of long standing, there is 'Buck' Stahle, a classmate at West Point of Col. Eisenhower.

"I'd like also to present Walter Tkach, the President's physician, and also his aide, Colonel Robert Schultz, and Mrs. Schultz.

DECISIVE BATTLE HERE

"Our destiny is pegged to the providential junction of seven natural trails that brought fine settlers, some of whom went west while many stayed here to become reasonably prosperous in tanning . . . making wheels and wagons . . . and selling them in a wide market that was accessible to them. This accessibility led to the establishment of the college and seminary to the founding of which they contributed.

"That same combination of seven trails resulted in two great armies meeting here to fight a decisive battle, the fields of which later became the best marked battlefield in the world. This, in turn, resulted in the presence here in 1917 and 1918 of a cantonment, Camp Colt, which in turn brought Captain and Mrs. Eisenhower here . . . with the ultimate result that they selected this area for their permanent residence.

"There were many occasions during his presidency that brought high honors to Gettysburg. We feel humble and appreciative that we were called upon to serve and in those instances we did everything we could and all and anything that was asked of us. Whatever the task, we did it because we wanted to help. Whatever your trials and tribulations, we sweated them out with you, President Eisenhower, just as we did your many accomplishments.

CITES PRESS CONFERENCE

"We are mindful of a press conference held here in August of 1959, the 12th to be exact. It was just prior to the arrival of the Russian premier, Mr. Khrushchev. President Eisenhower was too busy to take a vacation and came to Gettysburg for a working vacation. It happened to be real hot, as it happens here only now and then, Mr. President, and not every year at that is it so hot, that vacation time was before 10 o'clock in the morning.

"It was during this period that the President held a full-blown press conference in the press room, the first to be held outside of the White House. It was not planned . . . it was completely informal . . . it was a one-hour session — rugged in the sense that questions had not been submitted before nor were the answers prepared. Each question was answered straight from the shoulder with remarkable and instant directness.

"The questions centered around the purpose of the Khrushchev visit, what was hoped to be accomplished! You will remember many of the answers — the President wanted him to see and discover for himself what America really is and how Americans live, and be rid of his many misconceptions.

"He wanted to show him the houses around Washington where Government workers live; the modest and decent homes in Levittown of the workmen at the Fairless plant; the employee parking lot at Willow Run as evidence that Mr. Nixon's statement that American's own 60,000,000 automobiles was true.

AN IMMORTAL STATEMENT

"As to Americans and how they live and think, President Eisenhower had a most impressive answer: 'I want him to see a happy people. I want him to see a free people, doing exactly as they choose, within the limits that

they must not transgress the rights of others.'

"This answer, so characteristic of the President, is not only the rule of human relations among free people, it is also a formula for relations among nations and between different cultures and political philosophies. Ultimately, when historians appraise President Eisenhower's ideals, his efforts and his accomplishments nationally and in world affairs, I am sure that this statement, made in Gettysburg August 12, 1959, will become as immortal as Lincoln's philosophy that 'government of the people, by the people and for the people shall not perish from the earth' which was also made in Gettysburg November 19, 1863.

ENGRAVED ON PLAQUE

"This statement is engraved on this sterling silver wall plaque which I now present to President Eisenhower as a preliminary to the main presentation which will be made by General Paul, president of Gettysburg College, in behalf of you folks and the thousands of Adams Countians you represent, who in the aggregate are a good cross section of Adams County.

The engraved inscription reads as follows:

"To Dwight D. Eisenhower, 34th President of the United States, 'I want him to see a happy people. I want him to see a free people, doing exactly as they choose, within the limits that they must not transgress the rights of others.' President Eisenhower, at Gettysburg, Pa., August 12, 1959. Presented at Gettysburg's 'Welcome Home' dinner at Hotel Gettysburg, January 21, 1961."

PRESENTS TRAY

In presenting the silver tray, Gen. Paul said:

"President Eisenhower and Mrs. Eisenhower, I have been chosen and thus have been given the great honor and privilege to present to you both this token of our warm affection.

"This group that you see here, as Mr. Scharf said, is a cross

section of Adams County, every resident of which considers you as friends and neighbors. This group represents some 10,000 of these friends and neighbors in the borough of Gettysburg, Cumberland Township and Adams County. As friends and neighbors you can be assured that we will respect your privacy. We know how much this retirement means to you both. We know how much you are going to cherish it and we don't want to intrude upon it. Your years of selfless devotion to your country entitles you to the consideration everyone of us wants to show you.

WE ARE YOUR FRIENDS

"After what Mr. Scharf has said, anything I say is really insignificant. But we do welcome you home. We are glad you chose Gettysburg as your home. We are glad you chose Gettysburg people as your friends and neighbors and it is on their behalf that I present this beautiful sterling silver tray on which is engraved this inscription:

"Welcome Home to President and Mrs. Eisenhower. With the affectionate regard and best wishes of your friends and neighbors in Gettysburg and Adams County. January 20, 1961."

President and Mrs. Eisenhower accepted the tray and then the President spoke:

"Mr. Scharf, General Paul and friends: This has indeed been a

memorable and a notable day in my memory and in that of the Eisenhower family.

"I AM A REPUBLICAN"

"A little while ago, just before dinner, and it was an excellent dinner, I addressed a few remarks to the crowd outside and facetiously reminded them I am a Republican. I see that John Rice is present and note on the program that the Democratic county committee is represented in this gathering. This is truly a neighborly welcome.

"I want to remind you, during the years in which I was involved in politics—first, I never asked a single one to vote for me, and second, it was my practice to address every audience with these words: Fellow Republicans, Independents and discerning Democrats.

"My friends, I now remove all adjectives, now that I have come back to this town with which I have had so many different associations over 35 or 40 years, well, ever since 1914 if anyone can add (voice from the audience, 46 years). They have always been pleasant for here are the people we have loved. Through the great flu epidemic in 1918 everyone in this community came to the camp, where I was commanding officer, with everything they could to help—fuel, jellies, blankets and everything that made certain their feeling that the American soldier would not be forgotten. That was merely one of a long series of similar kindly incidents for which I have been very grateful.

"NEVER HEARD OF TREE"

"Now, I think Mr. Scharf has overplayed what I have meant to this town. Only this morning I was talking to one of my neighbors, and a very enjoyable conversation it was, and I happened to remind him that a tree was planted to mark the location of my headquarters in 1918. He said he never heard of it. This was a terrible blow, but I excused him on the ground that he was not old enough to have been here in 1918.

"WHICH EISENHOWERS?"

"We have been most grateful, my wife and I, as a matter of fact, my whole family, for the

friendliness and considerations shown us. The toast tonight was to the Eisenhowers, which prompted my son to say, 'Which Eisenhowers?' I think you should be more specific!

"We are most appreciative of the hospitable gesture you have made to us this evening. It is in keeping with all those kind things you have done in our behalf over the years. We are proud that the community should have thought of giving this gift and this memento to us on this occasion, but we are even prouder of the occasion itself. I assure you, then, that we are hopeful of being to you good neighbors. We will try to do our part in the civic affairs of the town, although we are outside the town limits we are still in the county, the county of my forebears. When they came here in 1730, it was then Lancaster County. So I have really come back home, not only to Pennsylvania but to this part of it.

"So thank you—and although I will now not be at the beck and call of the telephone or the necessity of being here or there, we still hope to be enthusiastic and voting citizens of the great body that makes this town, this country and this state great ones. Thank you very much."

CLOSES PROGRAM

Toastmaster Scharf closed the program by saying:

"Thank you, Mr. President. Just to set things straight and for the record, we will make proper corrections:

"First, the toast to the good health and long life of the Eisenhowers was to all the Eisenhowers, past, present and future.

"Second, the tree marks the spot of your headquarters, but your headquarters actually were across the highway and your neighbor was looking across the road.

"Third, you reside outside the town of Gettysburg but you are in Adams County and so is Gettysburg, so that makes you part of both and of all of us.

"Everyone here and all those we represent thank both Mrs. Eisenhower and you for spending the evening with us and giving us this opportunity to express the

affection and warm feeling that is in our hearts."

SING TWO SOLOS

Dinner music was furnished by Mary Howe.

Miss Maude Russell, soprano, sang "Birds on the Wing" and David Greenlund, tenor, sang "My Heart Stood Still." Both are members of the Gettysburg College choir. Miss Michelle Walters was the piano accompanist.

The prayer of invocation given by Rev. Robert A. MacAskill, pastor of the Gettysburg Presbyterian Church, follows:

"Almighty God, Our Heavenly Father, Sovereign Ruler of men and nations, we humbly bow in Thy presence to acknowledge that Thou dost work through human instruments to fulfill Thy will. We thank thee for the life of the one whom we are honoring tonight . . . for the nobility of his leadership to our nation and the peoples of the world in war and in peace . . . for the rich legacy he has bequeathed to us in faith, hope, vision, courage, dedication and high purpose. May we prove to be worthy of this heritage and rededicate ourselves and to build upon the foundations that have been laid.

"We are thankful that we can gather here this night and extend

our cordial welcome and greetings to both him and Mrs. Eisenhower to share with us in the life, fellowship and service of our community and nation in this new relationship. Wilt Thou continue to bless and look with favor upon them in this new stage of their lives that they might find it filled with enriching experiences, rewarding compensations and know something of Thine approbation 'well done thou good and faithful servant.'

"Accept, therefore, our gratitude for this food which sustains our bodies, this fellowship which kindles our spirits, and a high resolve that keeps us united as a people to the end that 'Thy kingdom come, Thy will be done on earth as it is in heaven' through Jesus Christ our Lord, Amen."

Guests at the speakers' table were President and Mrs. Eisenhower, Lt. Col. and Mrs. John D. Eisenhower, Gen. and Mrs. Willard S. Paul, Rev. and Mrs. Robert A. MacAskill, Mr. and Mrs. Henry M. Scharf, and Judge and Mrs. Mrs. W. C. Sheely.

The various types of orchids used in decorating the head table and for the corsages, including that presented to Mrs. Eisenhower by Burgess Wilbur Plank on behalf of the community, were from the greenhouse of Mr. and

Mrs. M. C. Jones. They were made up and arranged by the Wayside Flower Shop which also designed the red, white and blue flower centerpieces that graced all the tables in the dining room.

Gettysburg's radio station WGET broadcast both the program in Lincoln Square and in the hotel. Amplification was installed both outside and inside the hotel and was operated by Wilbert Baker, of Baker's Battery Service.

COMMITTEE IN CHARGE

The lighting on the square was augmented by flood lights from the Gettysburg Fire Department and installed by the Metropolitan Edison Company and this was further stepped up by the Kleig lights of CBS and NBC TV crews who pictured and recorded the public welcome.

The committee in charge of arrangement for the welcome home dinner included: Richard A. Brown, A. Kenneth Dick, Julian Estep, Walter B. Lane, Gen. Arthur S. Nevins, Rev. Robert A. MacAskill, Gen. Willard S. Paul, Paul L. Roy, Henry M. Scharf and Mares Sherman.

The drama "Life With Father" played on Broadway for 3,224 performances. Next longest run was "Tobacco Road" with 3,182 performances.

Out Of The Past

ONE HUNDRED YEARS AGO

Illumination: In view of the inclemency of the weather at the opening of their new and splendid photographic gallery, and the interest manifested by those who visited them the Messrs. Tyson have been induced to offer the public another opportunity of being shown through the several departments on tomorrow (Thursday) evening at 7½ o'clock. The rooms will be illuminated for the occasion. The ladies are particularly invited.

Dr. Steiner's Lecture: The lecture delivered by Prof. L. H. Steiner, Baltimore, in the German Reformed Church, on Saturday evening last, was a capital effort. It evinced much research, was polished in style, at times genuinely eloquent, and was effectively delivered. A notice of its many happy points would interest our readers, but want of time and space forbids. Suffice it to say, that those who failed to attend missed one of the rarest literary treats ever offered to this community. We hope he may be induced to lecture among us again.

Capt. Doubleday's Letter: Capt. Doubleday, who is with Maj. Anderson in Fort Sumter, writes, under date of January 6, to Gen. Segoin, of Auburn, New York: "There is no such word as surrender in Maj. Anderson. The war garrison of the fort is six hundred men.—We have about seventy; but should they attack us, I hope the country at large will have no reason to find fault with our defence. One of our boats and some of our men have been captured. All communication has been cut off with us, except such as the Governor chooses to authorize, and yet we hesitate to fire upon them. Maj. Anderson still hopes that wise council may prevail among them, and that something will occur to prevent the impending strife."

SEVENTY-FIVE YEARS AGO

A Merited Compliment: On Saturday John M. Krauth, Esq., was the recipient of a highly gratifying compliment from the Teachers of the Public Schools of this place—the presentation to him of a handsomely illustrated copy of Chambers' Encyclopedia, latest English revised edition, in ten volumes. Mr. Krauth has been a member of the Gettysburg School Board for over sixteen years and resigned on his election as District Attorney, the two offices being incompatible. This gift is intended as a recognition of his uniform courtesy to the teachers as well as his efficient and valuable services as a Director.

Died From Gangrene: On Friday, Jan. 15, Cornelius Gladfelter, residing at Hanover Junction, while engaged in filling his ice house, reached into the ice the entire length of his arm to recover a chain. He experienced pain in his arm-pit the next night, and summoned a physician. Inflammation set in, followed by mortification, which extended across his chest and throughout his arm, causing death on Tuesday night. Mr. Gladfelter was an extensive manufacturer of ice cream and was well known.

Local Items: The York grand jury ignored 43 out of 87 indictments last week.

There will be a game of Polo at the Rink this evening.

The 20th annual encampment G.A.R., Department of Pennsylvania, will be held at Scranton, Feb. 9.

The livery of S. H. B. Brewer, Hagerstown, was damaged by fire Thursday night to amount of \$1,000.

Adams express shipped from Hanover 12,000,000 cigars during 1885, three-fourths of them to Baltimore.

The Communist Party is a legal party in the United States and has a membership of about 7,000.

Today's Talk

ON "GETTING EVEN"

I was greatly impressed with the sentiment in a brief line that I came across recently. Here it is: "The best way to 'get even' is to—forget!"

It is as great an art to forget as it is to remember.

How our friends would grow with us if we would only stop looking for their weak points and really enter into exploring expeditions for their good qualities.

These good points can never be discovered, however, if we have in our heart the least bit of envy or revenge toward the one we would make happy.

It is a wonderful gift to be able to get on with all sorts of people. To a large extent this is inborn—but it can be cultivated and made to grow. And one of the best ways to give life to a generous, natural nature is to overlook much in our friends that we know is probably a part of their individuality.

We never know how hard the other fellow is fighting against the very thing that irritates us.

And we never know how glad the other fellow would be—in the case of a misunderstanding—if we would only forget FIRST.

The fact that you have been wronged does not mean nearly so much to you as to the one who has wronged you. His is the soul that has been seared and burnt.

Don't try to get even. Forget!

Tomorrow Mr. Adams will talk on the subject: "The Reading Habit"

THE CHANGES OF TIME

There is no age without its charm.
No season wholly drear;
Who looks on winter with alarm
Sees not with vision clear.

For winter hath its splendors, too,
As hath the gentle spring;
Though youth is fair, youth wants to view
The changes time will bring.

Let young hearts share the battle thrill;
Old heads are done with strife;
But time has compensations still
For those last years of life.

What matters it that strength is past?
Life still has joys to give!
One can go smiling to the last
And count it good to live.

The charms we knew as girls and boys
Have vanished long ago,
But time still has a stock of joys
For tired old men to know.

"THE SPOILED CHILD"

The spoiled child is a cunning elf... who likes to have its way... a youth who has little regard... for what the elders say... as long as things are going right... the spoiled child wears a smile... a most endearing angel with... the power to beguile... but when something gets in its way... the spoiled child starts to rave... until the boom is lowered and... the spoiled child must behave... we cannot hold the child for this... we parents are to blame... we must be ever diligent... or embers burst in flame... be kind but stern, this is the way... to keep youth meek and mild... it has been said, if we spare the rod... we will spoil the child.

The officers and teachers of the Sunday School of St. John's Lutheran Church met Sunday afternoon at the church with the general superintendent, Paul E. King, presiding. The program for the year was presented and was adopted as presented. The various heads of the Sunday School departments reported on the work being done in their particular part of the school. The pastor, the Rev. William C. Karns, opened the meeting with prayer and group prayer closed the session.

Representatives from St. John's Church to the Adams County Council of Churches session will leave from the church at 7 p.m. on Thursday to attend the meeting at the Gettysburg Church of the Brethren. The representatives are: Paul E. King, Glenn E. Unger, Mrs. Harry W. Badders, Wilbur E. Mackley and the Rev. Mr. Karns.

At the Sunday morning worship service, the Rev. Mr. Karns announced that dues for the National Lutheran Home for the Aged in Washington, D. C., are now payable to Mrs. Lloyd L. Stavelly. Also on Sunday morning, a new 50-star American flag was presented to the church by Mr. and Mrs. Preston Clouser and a Christian flag was presented by the Tuck-a-Batch Sunday School Class.

CAGE STAR AND
GIRL END LIFE

RICHMOND, Mich. (AP)—"It was our choice and we did it together," wrote Louise Mabley, 15, who was found shot to death Saturday alongside the body of her sweetheart.

State police said the blonde cheerleader and basketball star, James C. Erhart, 16, apparently died together rather than live apart.

Their bodies were found sprawled across a bed in Linda's bedroom.

Each had been shot in the chest.

INFORMATION

By HAL BOYLE

NEW YORK (AP)—Things a columnist might never know if he didn't open his mail:

Climate does affect your health.

If you dwell on a tropical isle, you'd be less likely to get an ulcer, a heart attack or a mental ailment. On the other hand, here in the good old temperate U.S.A., you are likely to live longer, have more energy, be more creative, and suffer fewer infectious diseases.

WHAT CLOUDS WEIGH

Ever wonder how heavy a cloud is? The average cloud weighs about 300,000 pounds.

Roving houses: "Let me live in a house by the side of a road" sang the poet.

Today some 3½ million Americans live in 1½ mobile homes, which they can pull up to the side of almost any road they choose.

New from the maternity ward: Women who smoke a great deal during pregnancy usually have smaller babies than those who smoke lightly or not at all.

TIPPLERS WARNED

Half of all U. S. men are theoretically overweight. But don't laugh, ladies, by medical standards, three-fourths of you pack too much poundage.

Our quotable notables: "Some dames think they are hard to get, when they are really just hard to take."—Tallulah Bankhead.

Warning to tipplers: Alcoholism is now ranked as one of the four major health threats—after mental illness, heart disease and cancer. One of every 13 U. S. men over 20 years old is a problem drinker.

340 HEADGEARS

What, no derby? Actor Gene Kelly's wardrobe contains 340 cloth hats and caps.

Tokyo department stores go far beyond our supermarkets in making shopping fun. They have theaters which present modern dances and classical plays and rooftop amusement parks, complete with ferris wheels!

Quips from our contemporaries: Monday morning, says the Catholic Digest, is when we like to look wistfully back at "the good old days"—Saturday and Sunday.

TEMPORARY GOATEE

Hair-raising bargains: You can now buy a mustache for \$10, a toupee for \$150 up—or, for \$50, a removable goatee for the tired business man who wants to play with the beatniks at night, but

with a .32-caliber pistol belonging to Linda's father, a prominent Richmond attorney, police said.

Detective Laurence N. Hofman said the two Richmond High School students had been going steady for two years. The boy was to go to Amsterdam in June as an exchange student under a State Department program.

look conservative during working hours.

Ever dream of buying a young race horse and retiring on its earnings? You'd probably do better if you bought a Shetland pony and charged the neighborhood kids a dime a ride. In 1960 only 2,621 of a crop of 10,858 two-year-old thoroughbreds won a race.

Executive signs: On the desk of Irving J. Bottner, Esquire shoe polish president: "Constant use will wear anything away, especially friends."

BARRIER TO PEACE

Bike riding is becoming a fad again, both with college students and middle-aged people looking for exercise. The United States now has more than 27 million bicycles.

One reason global peace is so hard to achieve: The peoples of the world speak 2,600 different languages.

Hot chocolate, when introduced into London in 1670, was hailed as a wonder drug in the treatment of gout, biliousness, flatulence, morbidity and the itch. It was Kin Hubbard who observed, "A friend that ain't in need is a friend indeed."

MILAN, Italy (AP)—Two thousand irate dairy farmers clashed with riot police in downtown Milan today in a new outbreak of a battle against foreign beef and butter. Six farmers were arrested.

The farmers massed in front of the Palazzo Serbelloni where Foreign Trade Minister Mario Martinelli, was conferring with city authorities.

The farmers attacked police when they were told they could not see the minister to present their protests that imports of foreign beef and butter were undermining prices for local products.

DIM WEEKEND
ON TV AFTER
INAUGURAL

By CYNTHIA LOWRY

AP TV-Radio Writer

NEW YORK (AP)—After that busy, busy inaugural Friday, television gave us the remainder of the weekend to rest and to relax.

Nothing particularly demanding turned up on the entertainment front. The finals of Bing Crosby's golf tourney Sunday provided some tense moments, especially when one beautiful long putt literally hung on the lip of the cup.

Despite the wind at 30-miles an hour, and likely the blowing at the screen by a large part of the living room TV audience, it stubbornly refused to drop.

Leonard Bernstein, as usual, lectured too much and permitted the Philharmonic Orchestra to play too little on the Sunday CBS musical show.

HEAVY-HANDED PIECE

Sid Caesar turned actor in a very heavy-handed piece of fantasy on GE Theater—he played Lucifer, and not very convincingly.

The Ed Sullivan Show had a trapeze artist, Edgar Bergen, a reading by Sam Levene, and Sullivan read the entire list of performers at the Washington benefit staged by Frank Sinatra—for reasons that remain pretty obscure.

All in all, it was an average Sunday night.

EASY TO GO EARLY

Nowadays, Sunday is getting to be a night when it's easy to turn

in early and get a good night's sleep.

Possibly the most interesting event of the weekend was the Friday night premiere of the little CBS disaster called, "You're in the Picture." This is the show that brings Jackie Gleason back to weekly television. He's the host of the new panel show.

One would presume that CBS, which presents "What's My Line?", "To Tell the Truth," and "I've Got a Secret," would understand the basic elements that go into a successful and entertaining program of this type.

Most panel shows are carefully designed to permit witty or funny exchanges among the panel members while they are engaged in a guessing game of some sort. The device in this new entry is a series of king-sized cartoons depicting various scenes. The four panel members are placed behind the cartoon and at a signal each sticks his head through a hole. To the audience, it looks like one of these old-fashioned gag photos taken on some boardwalk.

Then, in obviously uncomfortable positions, the four panel members are supposed to find out what the cartoon is about. They ask questions and Gleason, the moderator, answers them. Jackie is the one who obviously is to make all the jokes. At any rate, on Friday night, he wouldn't let anybody else make funnies. The sad part was that Jackie wasn't funny either.

LONDON (AP)—Evidence will be heard Feb. 7 against five persons accused of stealing British naval research secrets for an unnamed foreign power. A hearing will determine whether the three men and two women should be sent to trial. They have been held since Jan. 7.

Egan's 47 Points Leads St. Joseph's To 85-76 Win Over Bullet Quint

Spear-headed by 6'6" Senior Jack Egan's record breaking 47 points, the Hawks of St. Joseph's College had to come from behind to squeeze out an 85-76 win over Gettysburg, Saturday night on the loser's court before 1,450 fans.

The Bullets, who played one of their best games of the season, ran into trouble when Egan began hitting on jumps, lay-ups and foul shots. Egan connected on 17 of 38 field shots and 13 of 19 charity tosses and grabbed 24 rebounds to set a new court record of 47 points. The old mark of 42 points was set by Gettysburg's Al Teti in February of 1955 against Muhlenberg.

Bob Hulton utilized the height of Bruce Simpson and John Fleming by starting both men. For over half the ball game it looked as if the maneuver was going to pay off. Gettysburg took a 9-8 lead at 13:27 of the first half and held the upper hand until 5:59 of the second half.

BULLETS HOLD LEAD
Simpson gave the Bullets their initial lead on a corner jump shot. Bob Parker and Ron Warner followed with two-pointers with Fleming landing a foul shot. Gettysburg led 14-8. After Vince Kempton, 6'8" center, went in for a lay-up and Egan registered a foul, Warner, Parker and Fleming came right back with five more tallies.

Both teams then alternated shots until 5:44 when Egan went in for a pair of lay-ups to cut Gettysburg's lead to 29-25. Again an exchange of goals and fouls took place and Gettysburg led 37-33 at intermission.

Harry Booth opened the second-half scoring for the Hawks with a corner jump shot and at 19:06 Egan knotted the count at 37-37. Parker and Egan exchanged fouls and Parker and Booth alternated jump shots. The scoring saw-sawed to three minutes with the contest tied at 47-47 at 5:02.

HAWKS FLY AWAY
With 14:01 remaining in the game, St. Joseph's broke loose with Booth going in for a lay-up, Majewski hitting on a jump, Hoy landing another jump, Egan registered a tap in and free throw and Gormley landing a corner jump shot. At 11:56 St. Joseph's led 56-47. At 9:05 the Hawks held a comfortable 68-50 lead but the Bullets were not finished.

Ron Warner came back with a pair of foul shots, Fleming and Warner hit from the corner. Fitzkee added a pair of free throws and Warner went in for a lay-up. Majewski added two fouls and Kempton knocked in a rebound. The Bullets had cut the Hawk's lead to 72-62 with 2:47 minutes remaining.

The big difference at this stage of the contest was Jack Egan. The flying Hawk racked up three straight three-point plays and climaxed his scoring with a jump shot from the foul circle. The Bullets closed the contest on a flurry of shots by Parker, Warner and Burnett.

Ron Warner and Bob Parker set the scoring pace for the Bullets with 24 and 21 points, respectively. Bill Fitzkee recovered 10 rebounds for the home team.

St. Joseph's is now 11-4 on the season and 3-0 in Middle Atlantic Conference play. The Bullets are 8-4 on the year and 3-2 in MAC play.

BOB ROSBURG WINS CROSBY TOURNAMENT

By JACK STEVENSON
Associated Press Sports Writer

PEBBLE BEACH, Calif. (AP)—Bob Rosburg's long experience with the Pebble Beach course plus a great pressure putt on the final hole brought him the \$5,300 first-prize check in Bing Crosby's 20th annual golf tournament.

"I knew I had to make it," Rosburg said of the 14-foot slightly hooking putt he sank for a birdie four on the final hole Sunday for an even-par 72 and a winning 282 for the 72 holes.

Still the ex-Stanford star who won the PGA tournament in 1959 for his last major victory had to wait a half hour to see if Bill Collins was going to beat him. Collins, of Baltimore, needed even par for the final two holes to tie and a birdie on one to win.

2ND PLACE DEADLOCK
Collins went one-over-par on the 17th when his tee shot was trapped on the 218-yard, par three hole. He still could have tied with a birdie four on the 18th and his third shot stopped about 15 feet from the cup. Bill promptly missed two putts, the second from two feet, and took a six. Collins got only \$1,625 for a tie for fourth. His 75 gave him a 284.

Deadlocked for second, one stroke off the pace at 283, were Roberto de Vicenzo of Mexico City and Dave Ragan of Orlando, Fla. De Vicenzo shot a 75 final round and Ragan a 74.

NEEDED 7 POINTS
Rosburg, 34, a resident of Palo Alto, Calif., who plays out of Overland Park, Kans., needed to make up seven strokes to catch the third-round leader Ted Kroll of Ft. Lauderdale, Fla., who had a 203 through 54 holes. Ted blew up with an 81 and a 284.

For a time it appeared Arnold Palmer, golfer-of-the-year in 1960 would take it all here. But a 41 on the final nine and 75 total left him at 284 with Kroll and Gardner Dickinson who was one of three sub-par shooters here Sunday with a one-under 71. Johnny Pott also eclipsed par by a stroke for a 285 total.

PUNCHING FEST ON SATURDAY
It will be a punching festival in the Saturday night television fight matching middleweight Rory Calhoun and Florentino Fernandez.

They clash in a ten-rounder—ABC TV, 10 p.m., EST—at New York's Madison Square Garden. The winner probably will earn a berth in the 160-pound division's top ten although neither is a ranking middleweight now.

Fernandez has a 28-2 record, including 22 knockouts. Calhoun's record is 45-10-2, including 21 kayos.

Lightweight contender Kenny Lane of Muskegon, Mich., meets newcomer Joe Stable of Cuba in the main ten-rounder at New York's St. Nicholas arena tonight.

Cuba, 24, a stablemate of welterweight champion Benny (Kid) Paret, beat Chico Velez in his U.S. debut at the Garden last month. He has a 12-1-1 record, including three kayos. Lane, 28, has a 62-9 record including 13 knockouts.

Lions Grid Coach Goes To Tulane
READING, Pa. (AP)—John Potokian, 33, Albright football coach, is leaving to become an end coach at Tulane University.

Potokian announced his resignation at a banquet honoring the team Saturday night.

Last fall his Albright team posted a 9-0 record. It has a 13-game winning streak now running.

Potokian came to Albright as an assistant coach in 1953. He was coached baseball.

Potokian played end for Penn State and also was with the Steelers.

900 TO HONOR VAN BROCKLIN THIS EVENING

PHILADELPHIA (AP)—More than 900 guests will be on hand tonight when the Philadelphia Sports Writers Association honors Norm Van Brocklin as the outstanding athlete of the year and Mike Ditka as the college football lineman of the year.

The association, at its 57th annual banquet, which is a sellout, also will honor the most courageous athlete of the year. This selection will not be announced until banquet time as has been the custom.

Van Brocklin, who recently was appointed coach of the Minnesota Vikings, will be honored for his exceptional play in leading the Philadelphia Eagles to the 1960 National Football League title.

TO CITE DITKA
Ditka will be cited for his outstanding play with the Pitt Panthers which earned him a berth on the first team of the Associated Press All-America.

A whole host of dignitaries will be on hand for the banquet. Speakers include Danny Murtough, manager of the world champion Pittsburgh Pirates; Dick Groat, Pirates shortstop who was named the National League's most valuable player; Tom Nugent, Maryland football coach; Mickey Vernon, manager of the Washington Senators; and Ed Doherty, former president of the American Association and now general manager of the Senators.

Among those seated at the honor table will be Buck Shaw, former coach of the Eagles who retired after guiding them to the world championship; Chuck Bednarik and Bobby Walston of the Eagles; pro tennis star Pancho Gonzales; and Bucknell football coach Bob Odell.

PISTONS AND NATIONALS ON CAGE STREAK
By THE ASSOCIATED PRESS

The two hottest clubs in the National Basketball Association today are the Detroit Pistons and the Syracuse Nationals—but both are rushing along on a treadmill.

Each has won five games in a row, yet the Pistons remain 8½ games behind the St. Louis Hawks in the Western Division and the Nationals are third in the Eastern Division, 10 games back of the first place Boston Celtics and 7½ behind the Philadelphia Warriors.

The Pistons cut down the Warriors, 136-128, Sunday and the Nationals turned back the Los Angeles Lakers, 112-109. In the other game, the Cincinnati Royals downed the Hawks, 115-108.

SHUE SCORED 32
Gene Shue had 32 points for the Pistons and Bailey Howell chipped in with 31. Just as important in the triumph was the fact that the Pistons held Wilt Chamberlain to 20 points.

The triumph was the Pistons seventh in their last eight starts. The Nats trailed the Lakers for three periods and couldn't pull into a tie at 89-all until midway in the fourth period. The lead saw-sawed back and forth until the Lakers went ahead, 109-108 with less than a minute to go.

But then Dick Barnett went to work and plunked in two baskets for the Nats before time ran out. The triumph was the Nats seventh in their last eight games.

WIN WITHOUT "O"
The Royals proved finally that they can win without Oscar Robertson. Until Sunday they hadn't won a game all season without the Big O.

Wayne Embry and Jack Twyman supplied most of the Royals' punch in their fast finish in the nationally televised game. Embry finished with 28 points and 18 rebounds, while Twyman dropped in 14 points in the final quarter.

Saturday, Detroit whipped Cincinnati, 130-106; Syracuse turned back Boston, 127-124; St. Louis clipped New York, 145-122; and Philadelphia vanquished Los Angeles, 136-111.

SAME OLD STORY
FORT LAUDERDALE, Fla. (AP)—It was the same old story in the 1961 edition of the Helen Lee Doherty women's golf championship—Marlene Streit won for the third straight time.

Mrs. Streit, a Toronto, Ontario, housewife, was two over women's par for the 6,066-yard Coral Ridge Country Club course Sunday to defeat Phyllis (Tish) Preuss of Pompano Beach, Fla., 3 and 1 in the 36-hole finals.

PITTSBURGH (AP)—The Pittsburgh Steelers of the National Football League now have 10 players signed for the 1961 season.

The three latest signings, announced during the weekend, were: Guard Bert Brown of New Mexico Highlands College, a

HADDIX SIGNS WITH PIRATES

PITTSBURGH (AP)—Veteran Harvey Haddix, winner of two World Series games last year, has signed a Pittsburgh Pirate contract for the coming season.

The veteran hurler won 11 games and lost 10 and had a 3.98 earned run average in 29 appearances last season.

Haddix will be among 18 pitchers who will report to spring training in Fort Myers, Fla., Feb. 21. Four catchers also will report early. The rest of the team will begin training Feb. 26. Working out with the team will be 16 of the world champion's farm team players.

Meanwhile, the Pittsburgh chapter of the Baseball Writers' Association has announced it will present the Harvey J. Boyle Memorial Award to third baseman Don Hoak for being the athlete who did the most in Pittsburgh sports in 1960.

SAYS ROZELLE WILL BE SUED FOR MILLION

NEW YORK (AP)—Harry Rudolph, president of the Eastern Basketball League, says league attorneys will go into U.S. District Court here today to file a million dollar law suit against Pete Rozelle, commissioner of the National Football League.

The controversy grew out of Rozelle's action last week which barred tackle Gene Lipscomb of the Baltimore Colts from playing for the Baltimore Bullets in the Eastern League.

Rozelle said it would not be in the best interest of the NFL for one of its players to compete in the EBL because there are men playing in the basketball league who were identified with gambling while playing for college and professional teams.

DEFAMES MORALS
Rudolph said Rozelle's ruling defames the morals and standards of the basketball league and that he was basing his suit on this.

Meanwhile, Rudolph called a Tuesday night meeting of the EBL owners in Hazleton, Pa., to discuss the suit.

At the same time, Rudolph announced the two teams for the EBL All-Star game at Wilkes-Barre, Feb. 1.

They are:
West Team—Brendan McCann, Roman Cormon and Ray Scott, Allentown; Stacey Arceneaux, To go Palazzi and Hank Morano, Scranton; Jack Molinas, Hazleton; and Hal Lear, Easton.

East Team—Bill Spivey and Sherman White, Baltimore; Alex Ellis and Ed Fleming, Wilkes-Barre; Ernie Beck and Bob Herdelin, Sunbury; and Al Seiden and Tom Hemans, Williamsport.

John Mascavage of Allentown will coach the West team while Buddy Jeannette of Baltimore will handle the East squad.

The teams were selected by sportswriters, sportscasters and coaches.

BEST BOWLER WINS \$10,000

SAN BERNARDINO, Calif. (AP)—Bill Tucker of Rock Hill, Mo., who bowls only as a hobby and hates to practice, is the 1961 winner of the \$10,000 men's title in the All-Star Bowling Tournament.

The \$5,000 women's title went to Phyllis Notaro, who practices regularly and says "bowling is my life." She's a 33-year-old bowling instructor from Brant, N.Y.

Tucker won the title Saturday night after a split match with Dick Weber of St. Louis in a position round. Weber finished second. Ray Bluth of St. Louis took third.

Tucker had 318-49 Petersen points, 40 1-3 victories and 23½ losses; Weber, 309-11, 38 and 26; and Bluth, 307, 36½ and 27½.

In the Petersen point system, a bowler receives one point for each game won and one point for every 50 pins knocked down. A player who outscored an opponent while losing a majority of games gets an extra half point.

Miss Notaro won the women's crown after splitting her last-round duel with Shirley Garms of Chicago, who tumbled to third place. Hope Riccilli of Downey, Calif., won second place money by sweeping her last two games.

Miss Notaro had 144-13 points, 18½ victories and 13½ losses; Mrs. Riccilli, 143-12, 21 and 11; and Mrs. Garms, 142-14, 20½ and 11½.

NICK SKORICH IS NAMED TO COACH EAGLES

PHILADELPHIA (AP)—Assistant Coach Nick Skorich today was named to succeed the recently resigned Buck Shaw as head coach of the National Football League champion Eagles. He was given a three-year contract.

Skorich, 39, was a football star at the University of Cincinnati. He came here as an assistant to Shew in 1959.

Skorich played professional football with the Pittsburgh Steelers and Green Bay Packers.

Forced by injury to give up as a pro player after the 1946 season, Skorich coached at Pittsburgh Central High from 1949 through 1952, was head coach at Rensselaer Poly for the 1953 campaign, then joined the Steelers as an assistant where he remained until 1958, when he helped coach the Packers for one season.

EDGE ON VAN BROCKLIN
Skorich was reported the top candidate for the job by the Associated Press several weeks ago. The Eagles apparently leaned to the short, stocky native of Belaire, Ohio, because of his professional coaching experience.

It was this experience which gave him the edge for the job over quarterback Norm Van Brocklin, who retired as an active player after leading the Eagles to the title last season. Van Brocklin since has become head coach of the Minnesota Vikings.

Skorich, who lives in Pittsburgh with his wife, Teresa, and their two daughters, once was described by the late Jack Sutherland as a young man who someday would be a great coach. Sutherland coached Skorich with the Steelers.

As a player he had the reputation not only of knowing his own assignments but being familiar with every other job on the team.

Skorich said he would retain Eagle assistant coaches Jerry Williams and Charley Gauer.

Chuck Cherundolo, former pro star and an assistant coach with the Steelers, has been mentioned as a possible addition to the Eagles' staff to fill the line coaching vacancy left by Skorich's elevation.

BOILERMAKERS AND BUCKEYES MIX SATURDAY

By DON WEISS
Associated Press Sports Writer

The folks in the midlands who say Terry Dischinger is as good as Olympic teammate Jerry Lucas and that Ohio State is far from invincible get a chance to test their theory this week as college basketball begins to bust out of its mid-term doldrums.

Dischinger, probably destined to spend his college career in Lucas' shadow, has a head-to-head meeting with the big Buckeye All-America on Saturday afternoon when Purdue and top-ranked Ohio State collide at Columbus, Ohio, for the Big Ten lead.

The 6-6 Dischinger, shrugging off a badly cut finger suffered in a chemistry lab accident, scored 19 points as Purdue (9-3) bounced fourth-ranked Iowa off a 10-game winning streak and out of the Big Ten lead with a 47-41 thumping last Saturday night. Talented Terry is expected to be fully recovered by the time the Boiler-makers get at the Buckeyes, their top national ranking, and their nation-leading 18-game winning streak.

FIRST CONFERENCE TEST
Purdue first has a conference test at much-beaten Northwestern tonight, but this one doesn't figure to be much more than a warm-up for the big Saturday game.

If it's a slow-down Coach Ray Eddy has in mind, he may find Ohio State less inclined to control than the Hawkeyes were over the weekend.

Minnesota Coach John Kundla tried it against Ohio State and it befuddled the Bucks only for 5 minutes. Behind 8-1 at the time, the defending NCAA champions switched into an aggressive, ball-hawking defense, reeled off eight straight points and went on to a 75-56 victory with Lucas scoring 22 points and his starting mates all hitting in double figures.

BIG SHAKEUP
The Purdue-Ohio State showdown is the feature game on a big program Saturday as basketball swings back into full-time activity.

It'll likely be a vastly shuffled top 10 in the AP poll next week.

Gary Collins Is Given Grid Award

CHEVERLY, Md. (AP)—The Anthony C. Nardo Memorial Trophy, given annually to the University of Maryland's outstanding lineman, went this year to Gary Collins, a junior end from Williamsport, Pa.

Several Pennsylvanians received team honors at the school's football awards dinner Saturday night.

Center Bob Hacker, a junior from New Brighton, Pa., received a Terrapin Club award as best offensive lineman.

Dale Betty, a senior quarterback from Butler, Pa., received a Terrapin Club award as best offensive back.

Tom Sankovich, Uniontown, Pa., a junior, received an award as best defensive lineman.

SET INDOOR RECORDS FOR THREE EVENTS

LOS ANGELES (AP)—Wilma Rudolph, Parry O'Brien and Ralph Boston smashed American indoor records in sprinting, shot-putting and broad-jumping at the 1961 Los Angeles Indoor Invitational.

A turnaway crowd of 13,622 in the Sports Arena saw Miss Rudolph run the 60-yard dash in 6.9 seconds, bettering the 7.2 mark set March 21, 1954, by Dolores Dwyer in New York.

O'Brien, who's been talking about retiring from track, broke his own indoor record with a heave of 63 feet, 1½ inches. His former mark was 62½, set Feb. 20, 1960, in New York.

Boston, holder of the world and Olympic broad jump records, leaped 25 feet, 10 inches, bettering by one-half inch the indoor mark set last Feb. 20 in New York by Bob Robertson of the Army.

Other top performances: Olympic champ Otis Davis of Oregon's Emerald Empire Athletic Association won the 500-yard race in 58.4 seconds, beating another former Olympian, Eddie Southern of the Army.

Olympic champion Don Bragg won the pole vault at 11 feet before retiring with an ailing leg.

And Jim Beatty of Santa Clara Valley Youth Village rallied to win the mile in 4:06.4, edging Ernie Cunliffe in Stanford.

ARCADIA, Calif. (AP)—The Santa Anita Maternity, first of four \$100,000-added racing attractions, takes the spotlight at Santa Anita park this week.

The top three candidates in a field restricted to 4-year-olds are C. V. Whitney's Tompon, Tex. Ellsworth's Prove It and C. R. Mac Stables' T. V. Lark.

Although Ohio State, second-ranked St. Bonaventure, and sixth-ranked North Carolina went unbeaten through last week, and three others—Bradley, Duke and St. John's—were idle, the top 10 combined had only a 6-5 win-loss record.

Iowa, before losing to Purdue, had defeated Illinois. Fifth-ranked Louisville split a pair during the week—losing to Xavier of Ohio 84-77 before bouncing back to topple Dayton 63-50 in the national TV game Saturday.

Seventh-ranked DePaul, unbeaten a week ago, lost twice to Notre Dame and Western Michigan. Tenth-ranked Kansas State also lost its only start—to Kansas.

TRY TO PUSH GOVERNOR'S TAX LEVIES

HARRISBURG (AP) — Democrats, working as though every minute counted, started lining up votes today to gain passage of Gov. Lawrence's tax proposals and a fair housing bill.

In the House, Rep. Stephen McCann, Democratic floor leader, voiced hope that at least part of the governor's \$23.7 million a year revenue program could be acted on in that chamber this week.

Democrats are shooting to complete action on all of the proposals by April 1. That was one of the reasons behind the administration's early submission of a budget to the General Assembly last week.

Senate Democrats named committee chairmen over the weekend, paving the way for a busy work week.

GET CHAIRMANSHIP

Sen. Anthony J. DiSilvestro, Senate president pro tempore, filled each of the 22 Senate committee chairmanships with a Democrat. His party this year wrested control of the Senate from Republicans for the first time in 22 years.

DiSilvestro and Sens. Israel Stiefel, Philadelphia, and William J. Lane, Washington, were not named to committee chairmanships because they hold top leadership jobs. Stiefel is caucus secretary and Lane is assistant Democratic floor leader.

However, Weiner was named chairman of the Rules Committee.

OTHER TOP SPOTS

Lane was named vice chairman of the Executive Nominations Committee and Stiefel vice chairman of the Appropriations Committee. DiSilvestro automatically is a member of all 22 committees.

Sen. Bernard B. McGinnis, Allegheny, got the Appropriations Committee post, generally regarded as one of the choicest assignments.

Other committees and chairmen expected to be spotlighted in the 1961 sessions are: Education, Sen. J. Hayes, Centre; highways, Fred B. Rooney, Northampton and Reapportionment, Sen. Harry E. Seyler, York.

Sen. John H. Devlin, former House member and freshman member from Allegheny County, was named chairman of the Executive Nominations Committee.

which passes on gubernatorial appointments.

OTHER ASSIGNMENTS

The remaining committees and chairmen:

Agriculture, Sen. Gus Yatron, Berks; Constitutional Changes and Federal Relations, Paul W. Mahady, Westmoreland; Banking, Benjamin R. Donohoe, Philadelphia; Corporations, Joseph D. Ripp, Allegheny; Elections, Thomas P. McCrory, Philadelphia.

Finance, Martin Silver, Philadelphia; Forests & Waters, Fish & Game, Leonard C. Staisey, Allegheny; Insurance, Martin L. Murray, Luzerne; Judiciary, Hugh J. McMenamin, Lackawanna; Labor & Industry, John C. Miller, Law & Order, Peter J. Cameli, Philadelphia.

Local government, John J. Haluska, Cambria; Military Affairs & Aeronautics, William G. Sesler, Erie; Mines & Mineral Industries, Thomas J. Kalman, Fayette; Public Health & Welfare, George J. Sarraf, Allegheny; State Government, William Vincent Mullin, Philadelphia.

JOHN H. LIGHT DIES SUDDENLY ON SATURDAY

LEBANON, Pa. (AP)—Funeral services will be held here Thursday for John H. Light, a former state agriculture secretary and assemblyman from 1951 to 1960.

Light, 85, died Saturday in Good Samaritan Hospital. He was admitted to the hospital Jan. 17 with an undisclosed illness.

Light closed out a long career of Republican politics by choosing not to run last November for a sixth two-year term in the State House of Representatives.

FARMER, POLITICIAN

Light, who made his home in nearby Annville, was trained as a school teacher but spent most of his life in agriculture and politics. He operated several farms in Lebanon County and was secretary of agriculture from 1939 to 1943.

He was a former member of the State Farm Show Commission and was director of the farm show from 1931 to 1935. He also held various offices in the State Grange for 20 years.

Survivors are his widow, Ellen, and a son, the Rev. Harvey M. Light of Hanover.

Burial will be in Kimmerling's Reform Church Cemetery, Lebanon R. 2.

PIDA Approves 39 Factory Loans

HARRISBURG (AP)—Approval of 39 loans totaling \$3,938,844 was given by the Pennsylvania Industrial Development Authority in 1960, says Commerce Secretary William R. Davlin.

Davlin, who is PIDA board chairman, said over the weekend the loans were used on projects worth \$13,215,171. The other financing was supplied by banks, insurance companies and community non-profit organizations, Davlin said adding:

"When in full normal operations the industrial projects launched with PIDA assistance during 1960 are scheduled to provide 5,869 new factory jobs and new annual payrolls of \$22,776,000."

\$500,000 BLAZE IN CARBONDALE

CARBONDALE, Pa. (AP)—Fire which burned for more than 12 hours destroyed half of the Carbondale business district Sunday, causing damage estimated at \$500,000.

The blaze apparently started in a bakery.

Cause has not been determined. The fire spread through a whole block of shops, including a jewelry store, record shop, grocery, television store, a woman's clothing shop and a vacant building which once served as a dress factory.

Thirty-four persons were forced out of their apartments, located above the stores. Six persons were treated for smoke inhalation.
